Saves Soul Seeking Questions

SEVEN SOUL SEEKING QUESTIONS

INTRODUCTION:

1. The Master Teacher effectively used the question method to teach his lessons. *4:11, 26, 27*
2. "The captain of John, Whence came it, from God or from man?"
They would not answer him: (1) If they answered "From God" then why didn't you obey it? (2) If "From man" the multitude would show their wrath, they thought John a prophet.
3. The question method is still a leading method to teach;
4. We choose the question method in this lesson:
